Unlike regular referral programs, the referral program at CNTC is driven by our understanding of what motivates customers and what is really important to them.

We believe, a community is shaped by the individuals that are part of it. Hence, it is imperative that we bring together like-minded people to be a part of this community. Now, you can not only choose who you want to be a part of your community, but also reap a referral bonus of 5 lakhs when your referral gets converted into a sale.
