

At the point when we feel things are outside our ability to control our levels of fear increases because of the risk we perceive.

Our uneasiness is exacerbated by the stress, not just about one's own wellbeing and prosperity, but also that of family, particularly if you are a chief carer or breadwinner.

We at The Presidential Tower stand with you and your family during this testing times.

The restriction of vital social contact, the cessation of a natural daily routine and the experience of a lack of control over one's life can be crippling and depleting.

The consequences experienced include the following.

Fear and anxiety: Being in quarantine or Isolation implies lost command over the typical life schedule.

Take yourself to Isolation.
You can never stop the Sunset.
But you can stop the Corona Virus.

These are the latest photographs of the progress at the construction site, to give you an insight into the work that has been completed in the last month.
We value your trust in CNTC Hong Kong and thank you for your support.
